Grilled Citrus Chicken Tacos

\$4 Two corn flour Tacos filled with lettuce, pineapple-lime salsa and cotija cheese. *(Cotija is a Hispanic-style cheese named after the Mexican town of Cotija. It is the most flavorful cheese for great Tacos)*

Cream Chees Poppers

\$5 Spicy hot jalapeno peppers to set your mouth on fire. Stuffed with mouth-cooling cream cheese, then breaded to bring both mouth sensations together into a delicious experience.

Mozzarella Sticks

\$5 Eight sticks of fresh, battered Mozzarella Cheese, fried to perfection and served with our warmed homemade marinara sauce. A slight crunch outside and gooey inside. Superb!

Onion Rings

\$4 10 ounces of incredible batter-dipped onion rings. Enough to share. Enjoy them with a beer and a napkin. Perfectly paired with one of our great Burgers.

Batter-dipped Mushrooms

\$5 Mushrooms dipped in our thick, special recipe batter and deep fried to perfection. A whopping 10 ounces to satisfy your cravings for something really good.

French Fries

\$4 Some of the best fries in town. Served with our homemade Chipotle Ketchup and Habanero Ranch dressing. Ask nicely, and we'll add Nacho Cheese..

Gravy Fries

\$5 Our incredible French Fries covered in our homemade Pot Roast Gravy and Nacho Cheese Sauce. You'll want to savor every drop..

Blue Cheese Fries

\$6 Our incredible French Fries with a mouth-watering mixture of crumbled blue cheese, spices, and Nueske's Applewood Smoked Bacon, which is slowly melted and heaped over the fries. They don't come much better than this.

Dave's Signature Fries

\$6 We chop up succulent slices of ham and grill them just enough to add the right flavor. Then we add fresh cheddar cheese and Dijon-Maple Mustard. Finally we heap it over our incredible French Fries to create a signature delight.

Hot Wings

\$8 Traditional "Hot Wings" with a "medium" spicy sauce. We serve them with celery and Blue Cheese or Ranch Dressing. If you like "hot wings", you'll love these.

Gustos Heat

\$8 Traditional "Hot Wings" with a "HOT" spicy sauce so painful and unbearable, it will remind you of your ex. You'll get Blue Cheese or Ranch Dressing, but you'll need serious beers to cool yourself down.

Sometimes "hell freezes over and we don't have the ingredients we need to blister your mouth. Please understand if we tell you "we're out".

Nachos

\$4 Our chips are fried to order, topped with Nacho Cheese Sauce, Jalapenos, Scallions & Sour Cream. Add some homemade Pot Roast (made daily) for a mere \$3 extra.

Combo Platter

\$10 Slightly less than a full serving of 3 great appetizers – Onion Rings, Mozzarella Sticks, and Batter-dipped Mushrooms. A meal for one, snacks for two, or perfect appetizer for three.

BURGERS

All our beef burgers are made with the perfect blend of ground Chuck and Sirloin – served on a Pretzel bun. Chuck contains enough fat to add flavor and juiciness. Sirloin provides tenderness, flavor and great taste. It is how great hamburgers are made.
